

WATERCOLOR SOCK

FIBERS 75% mulesing free wool with cloro free treatment,
25% nylon

CLEW 100 grs. ca. - 420 mts - 3,5 oz. ca. - 458 yds.

KNITTING NEEDLES 2 - 2

A perfectly composed yarn made of mulesing and chlorine-free wool in compliance with environmental protection standards, in which the water colours mix like a painter's colours on a canvas. A stylishly unique, exclusive ball of yarn that will allow you to make two identical socks thanks to the philosophy of the perfect loop, whereby each ball of yarn has been designed to guarantee you the weave and pattern you see in the photo.
